For access to the Outdoor Track, use **Gate 11** which is the first Entrance Gate off Rowsley Street. Entering at Gate 11 park up to your left or right and you'll find the Outdoor Track a little further on and to the left. Alternatively, proceed straight ahead and when you reach the Regional Arena (on your left) park on your right outside the Football Ground. Cross the "road", go down the steps, turn left, pass the statue of the runner and the entrance to the Outdoor Track is in the corner. The Track can also be accessed directly from the parking area at **Gate 13**, further along Rowsley Street. However, this is a very small parking area and availability is limited.

The **Registration Desk** will be open from 6:15 pm and will be located in the Stand close to the 400 metre start/finish line. The Track events will start at 7:15 pm with the 800m. The 100m, 3000m, 200m, 1500m and 400m will follow on in that order. We hope to start all four field events at 7:15 pm so that athletes wishing to compete in both track and field can be accommodated.
