

ATHLETE OF THE YEAR 2014

The club is once again to make an award to one member of the senior section who is considered to be the outstanding athlete of the year, following the popularity of previous years' awards. This will take the form of a tankard and, in order to make a representative choice, I am asking all members of the senior section to vote for the member they consider deserves the award most. The choice does not necessarily have to be a club champion. Factors worthy of consideration would include a substantial improvement over the year, an outstanding result in a particular meeting, or you may like to consider a contribution to the coaching side of the club or a member who has represented the club in a manner deserving of recognition. Members aged at least 15 years can make nominations. Awards will be made at the Christmas Handicaps on 21st December and nominations will be accepted on the day. Alternatively, you can post your nominations to either myself at 22 Ashdene Road, Withington, Manchester M20 4WX (e-mail: Kevin.dillon22@yahoo.co.uk) or Debbie at 11 Newlands Avenue, Cheadle Hulme SK8 6NE or telephone us (myself on 07815 876962 or Debbie on 0161-485 3319). Previous winners were Tony Keller (1987), Chris O'Brien (1988), Dave Gee (1989), George Lawson (1990), Frank Bradley (1991), Tony MacDonald (1992), Joe Moran (1993), Steve Yates (1994), Mike Cunningham (1995), Carl Summers (1996 and 2011), Mike Morris (1997), Peter Ferguson (1998), Vic Blanchard and Achim Schuele (joint award in 1999), Arnold Bradshaw (2000), Andy Donnelly (2001), Andy Skitt (2002 and 2009), Aaron Rodger (2003), Ciaran Fitzpatrick (2004), Phil Holmes (2005), Kes Salmon (2006), David Henshaw (2007), Liam Bartlett (2008), Mikey Fennell (2010) and Ed Fazakerley (2012).
