## **CHRISTMAS HANDICAP - 17 DEC 2017**

# MANCHESTER HARRIERS & ATHLETIC CLUB

## CHRISTMAS HANDICAP

*Some notes  
for members who haven't done the Handicap*

The Junior Race starts at 10 am and the younger children will be set off first. Parents of juniors are asked to help marshal the two lap course (approx one mile). The handicap is worked out by the Club's coaches. First and foremost - it's a fun event.

The Seniors two lap course is approximately 3.2 miles.

As soon as the Senior race is finished we'll make our way to the Cheadle Social Club for about 12 noon where we'll have the Presentation. All the junior runners should bring a selection box which will be put on a table. The runner finishing first will get first choice of the selection boxes, second finisher will get second choice, and so on. All those who bring a box will go home with one. *This is a handicap so it's unlikely that the fastest runner will win!*

The Seniors should also *bring a prize to win a prize* - usually wine or chocolates.

We then have the results of the ballot for Sportsman and Sportswoman of the Year and they will be presented with Trophies.

Please let me know if you are coming - more is better - it's great fun.

Any questions please give me a ring.

See you there!!
