CROSS COUNTRY 2018/19

Cross country awards have been calculated based on performance in the Manchester Area Cross Country league, Greater Manchester, Northern and National Cross Country events and take in to account the number of events participated in as well as performance.

There is a minimum of 4 races to be eligible for an award and trophies are awarded to the top three in each age category. Veterans compete as seniors with additional awards for the top three veterans (excluding any veterans who have won a senior award).

Special recognition awards are also presented at the discretion of the committee to recognise any outstanding achievements.
